gauge:

16 sts and 32 rows = 4" / 10 cm in garter

NOTES

Where two numbers are given as XX (XX), the first number is for sizes 30 (32, 34, 36, 38, 40, 42)" / 76 (81.5, 86.5, 91.5, 96.5, 101.5, 106.5) cm and the number in parentheses is for sizes 44 (46, 48, 50, 52, 54, 56)" / 112 (117, 122, 127, 132, 137, 142) cm.

Where an empty space is shown for the number of stitches, fill in the appropriate number for your size from the chart that follows.

The lace pattern is worked over fewer stitches for the smaller sizes. Make sure to use the correct yoke and edging charts for your size.

The pattern is written in sections for clarity, but unless otherwise specified the sections continue on from one another and do not mark a new piece of knitting.

Slip all stitches as if to purl unless otherwise stated.

When working short rows work wrapped stitches and ignore the wrap.
