Hair:

Mark ears on the head and with Braun cotton crochet the spaces from one ear over crown of head to the other ear about 22 SC. Embroider the hair with the needle and two different Braun cottons. Begin on the left part from the parting. Embroider using the tacking stitch, in one direction, from the parting to the ear. When this part of hair is finished, do the pigtail of the hair – several times sew in one spot (from the front to the back of head) leaving 2 cm long stitches and so you have the pigtails. Knot the pigtail in the spot stitch. Do the right part in the same way.

Chignons: Do two circles (smaller and bigger one) subsequently: several times wrap the pieces of cottons around the finger to make a circle, than get down carefully and join in the middle of circle. Then sew them on the back part of the head.
