

Bunny Easter Egg Holder

This is absolutely FREE pattern to make this cute bunny easter egg holder. All you need is to print this pattern on some heavy paper, or print it on standard paper and glue it on some heavier. Cut out the parts of the rabbit. Dotted lines are for folding. Fold the triangular part of the ring between rabbits legs, and form a ring, where you will put your easter egg.

Pattern is created by Milan Zavisic from SNIS leather goods. You are free to print as many copies that you wish, to share, to copy, as long as you leave this page unchanged. If you wish to see our other creations, please visit our blog on: <http://snisleather.blogspot.com> or visit our shop at: <http://snis.etsy.com> Have fun!
