

The image shows a large 80x160 grid filled with a variety of symbols. These symbols include letters (A-Z), numbers (0-9), mathematical operators (+, -, \*, /, %, =, <, >), and other special characters. The symbols are arranged in a seemingly random pattern across the grid. A prominent pink arrow originates from the bottom-left corner and points towards the center of the grid, highlighting a specific path or sequence of symbols.

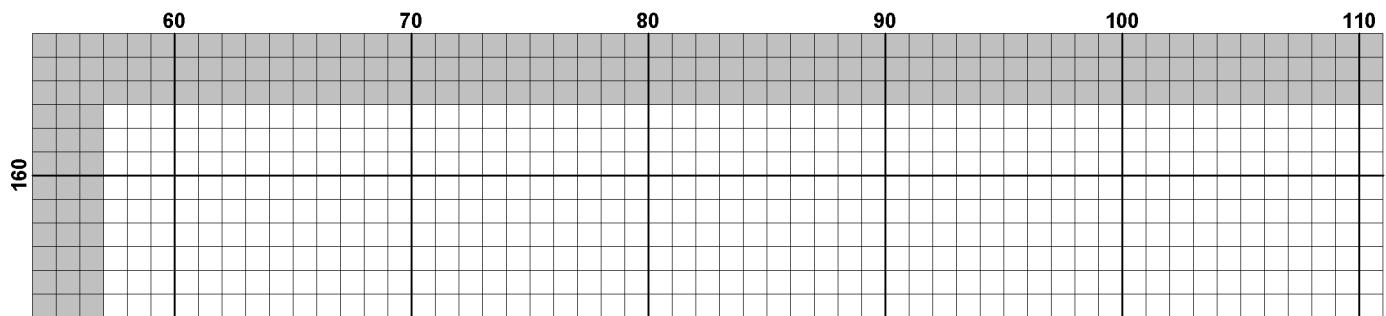

The image is a high-resolution digital artwork composed of a grid of small, colored squares. The colors used include black, white, various shades of gray, red, green, blue, yellow, and orange. The patterns are intricate and varied, creating a complex visual texture. Some cells contain text or symbols, such as 'B', 'S', 'Y', 'T', 'M', 'N', 'Q', 'R', 'D', 'E', 'F', 'G', 'H', 'I', 'J', 'K', 'L', 'P', 'V', 'W', 'X', 'Z', and numbers like '170', '180', '190', '200', '210', '80', '90', '100', '110', '120', '130', '140', and '150'. The arrangement of these elements suggests a structured data set or a specific algorithmic output.

A grid diagram showing a 160x210 area divided into 14x15 smaller squares. The top row has labels 170, 180, 190, 200, 210. The left column has label 160. The first five columns are shaded gray.

A grid diagram representing a rectangular area. The vertical axis is labeled 160 at its bottom end, and the horizontal axis is labeled 220, 230, 240, 250, 260, and 270 along its top edge. The area is divided into a grid of smaller squares, with 16 columns and 27 rows of these squares.

The figure displays a 160x160 grid of symbols, with the x-axis labeled from 270 to 320 and the y-axis labeled from 160 to 270. The symbols are categorized by color: X (grey), R (dark grey), S (green), Y (yellow), and Z (white). A central cluster of high-value symbols (S, Y) is surrounded by a ring of lower-value symbols (R, X).

**Pattern Name:** B-2260 Красная смородина  
**Company:** LUCA-S  
**Copyright:** перенабор TEMKA 69 и Гоголька  
**Fabric:** Aida 14, White  
           350w X 159h Stitches  
**Size(s):** 14 Count,    63.50w X 28.85h cm  
           16 Count,    55.56w X 25.24h cm  
           18 Count,    49.39w X 22.44h cm
