

# Audrey's Roses

40 Designs

Full Collection

Audrey's Roses is a collection we've been planning for a long time. The collection consists of six gorgeous roses brimming with leaves and buds. There are also plenty of design elements to supplement the roses and we've also included a few rose buds to help decorate your projects. The most exciting part of the collection is the huge rose laurel project we created. The design when finished is 27" by 27" and consists of 15 hoopings in the 5" x 7" hoop. Sounds hard to do, doesn't it? Well, as you know we enjoy creating challenging projects, but we never leave you in the dark. We created a deluxe tutorial and templates to help you through the process.
