## Stitch Tutorial

### Diamond Eyedet stitch – Point de d'œillet en losanges

Work from the centre of the diamond shape outwards, clockwise.

### Triple Cross-stitch – Point de croix triple:

Start with the horizontal branch, made of 3 stitches. (Do the horizontal stitch first – a little longer than the others – then stitch the other 2, crossing over the first one.)

Repeat for the vertical branch of this stitch.

Finish your Triple Cross stitch with a single cross stitch in the centre to hold everything in place.

### Star Stitch – Point d'étoile:

Work from the centre of the star shape outwards, clockwise, starting with the first diagonal stitch (in order to keep the vertical stitch for the end)
