### PARTS

## FINDINGS FOR ACCESSORIES

## WIRE, CRAFT FILAMENTS AND TOOLS

### WIRE

Use wire to make miniatures. 10m(33ft) rolls of various thickness: #28, #30, and #34 are sold for use in different crafts. Be careful not to bend the wire too hard or it may break.

### CRAFT FILAMENT

Use for necklaces or rings.

Glue on knots so they don't come off.

### SCISSORS AND PLIERS

Use Cutting pliers to cut thick wires and scissors to cut craft filament.

Chain nose pliers are useful for opening and closing jump rings.

### NYLON THREAD AND BEAD CORD

These are strong for beading and useful for accessories and embroidery as well.

### ELASTIC

Thin elastic is used for making bracelets and sleeve holders.

### BEAD NEEDLES

Needles for fine beads, accessories and embroidery.

### CRAFT GLUE

Glue used for beads and knots in crafts. If not available, use a glue that dries clear.

PRACTICE

# LAURA AND MARY

Practice with these lessons and learn the basics of beadwork.

- ① Cut wire to proper size. Start at middle of wire unless otherwise indicated.
- ② Wires must intersect inside beads for craft to lie flat.
- ③ Wire is drawn loose in pictures to see instructions clearly. Tighten it as you proceed.

**MATERIALS**  
 small round beads,  
 4mm curved beads,  
 3-cut beads,  
 8mm pearl beads,  
 #34 wire,  
 craft glue

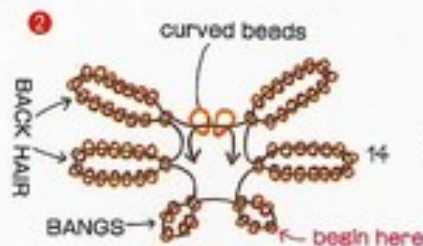

Use small round beads unless otherwise indicated.

For crafts with several colors, see photos for proper selection.

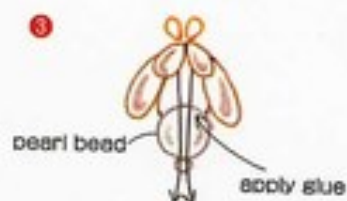

① wire ① 75cm(30") ② 40cm(16")

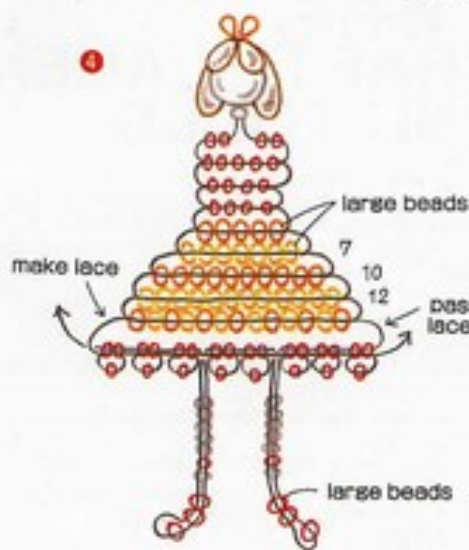

begin at middle of wire ①

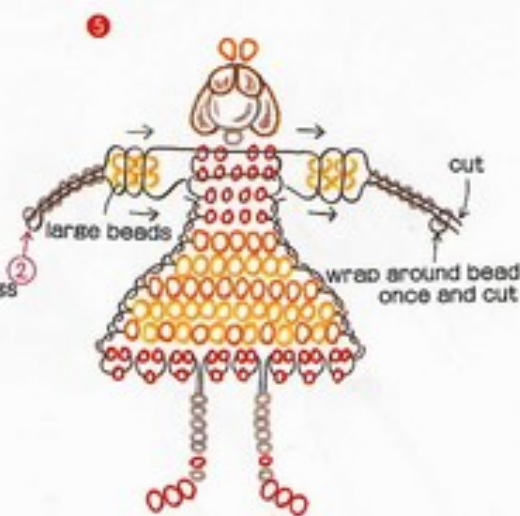

tighten wire to make hair

Pass through face pearl and neck pearl first. Put glue on top of head pearl and adjust hair. Use only glue that dries clear.

Tighten wire to make body, skirt, hem lace, and legs. Twist back to edge of body and cut.

Make arms with wire ②. Begin from middle of wire, make the left side, pass two wires through body, and make right side.

Change color of beads according to the photo of Mary.

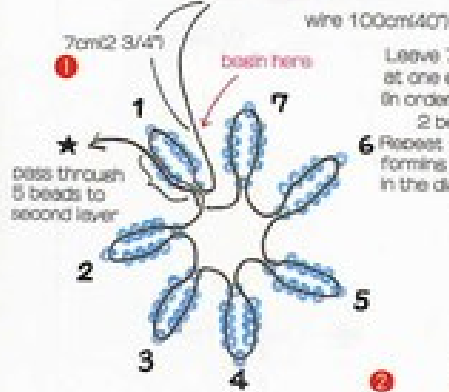

PRACTICE

# MAKE A BASKET!

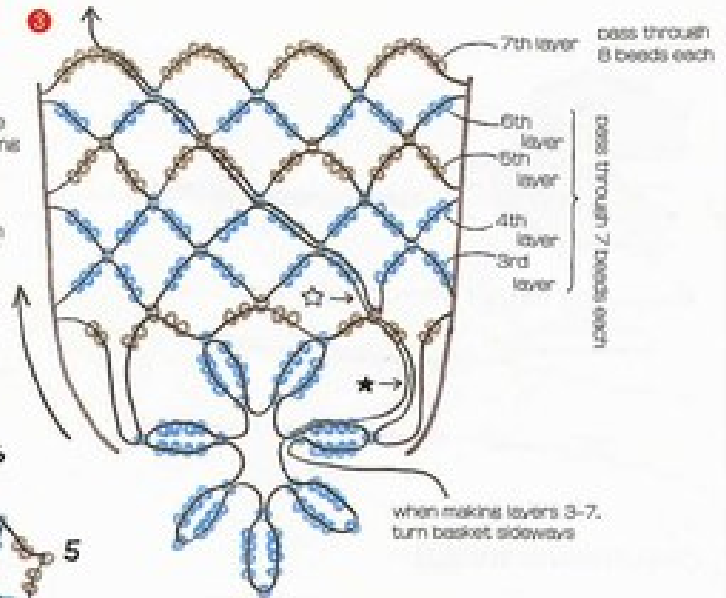

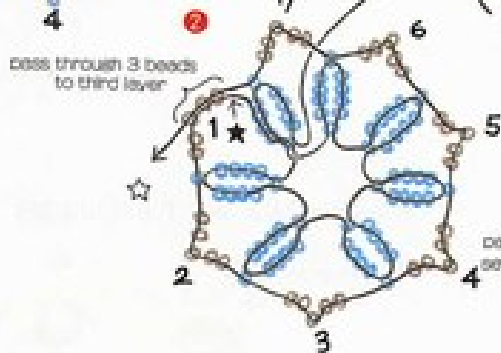

- ① Let's practice making 3-d crafts with this basket. Make the flat bottom first, then the sides.
- ② Two wires pass through at points marked ★ and ☆. Follow the pattern carefully.
- ③ Make handle and flower. Twist the ends of the wires together and cut.

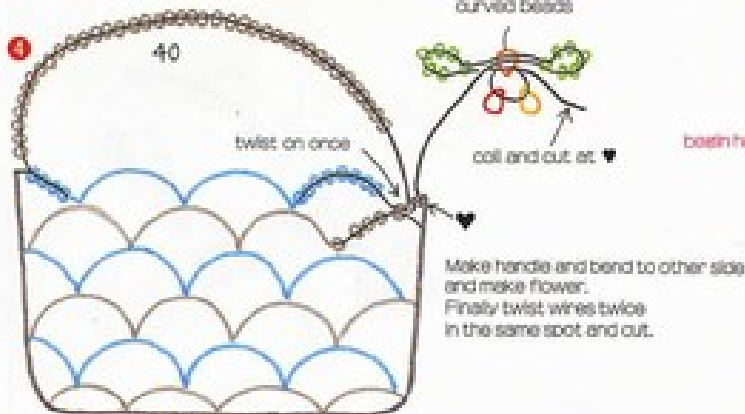

**MATERIALS** #34 wire  
small round beads,  
large round beads,  
4mm curved beads.  
Use small round beads  
unless otherwise indicated

Leave 7cm(2 3/4") of wire at one end and start making 6 in order to make up for 2 beads at the end.  
6 Repeat form 7 times, forming a flower, as shown in the diagram.

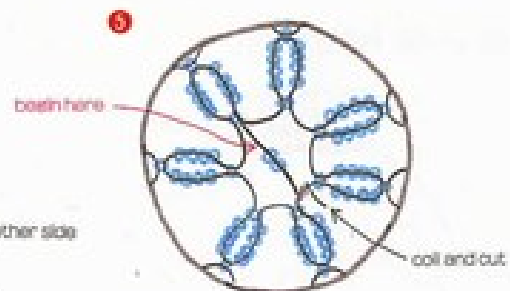

pass through 5 beads each, seven times for the second layer

curved beads

BOTTOM OF BASKET

Pass wire left behind in step ① through 2 beads, attach to other side, and cut.

# POINTS TO REMEMBER

## MOVING BEADS

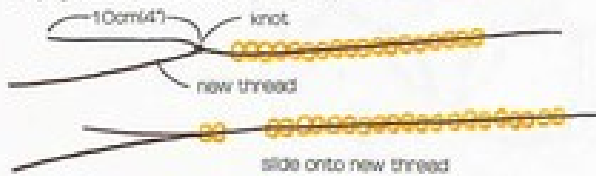

- Passing wire taut loose beads

- Wiring strung beads

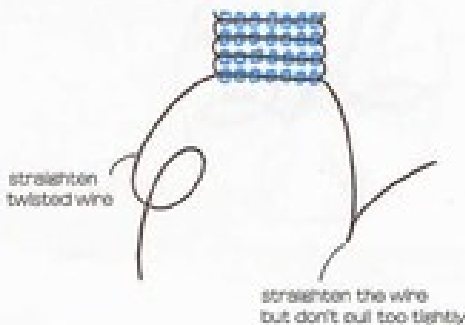

- Passing thread through strung beads

## CHANGING WIRES

## IF THE WIRE BREAKS!

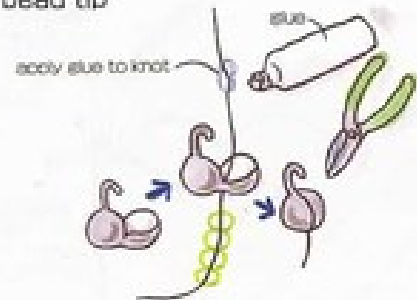

## FINISHING (WIRE)
