Row 1 - adding in every loop of double crochet. In the end of the row make connecting crochet and then 3 Ch.

Row 2 - 1 double crochet, Increase, double crochet - Alternate to the end of the row.

Hair

Using the pin, I indicate tresses leaving gaps 3-4 mm between rows. I start sewing the tresses down circle-wise starting from nape. The smaller needle step the stronger are the tresses on head. I make 2-3 circles on head depending on the hairs density.
