

Sant Jordi Dragon

A pattern designed by Lanukas

ABOUT THE PATTERN

This little dragon is inspired by the legend of Sant Jordi, but unlike the original, this is nothing terrible. With that little face, it is so adorable that makes you want to hug him.

This pattern is a free adaptation of the Russian pattern designed by [Меджик](#).

Terms of Use

This is a free pattern that it has been designed and adapted by Lucía Sánchez (Lanukas).

This pattern is made with much effort, love and creativity. It is for personal use and is not permitted sale, publication or distribution in any printed or digital format. Neither is it permitted the translation into other languages.

Adaptation or variation of any of the parts of this pattern for redistribution, publication or sale is not permitted.

This pattern is for personal use, so is not allowed to sell amigurumis based on this pattern.

If you share your creations on social networks, remember to cite Lanukas.

Create, have fun and thank you for respecting my work!
