The image displays a 40x150 grid of symbols. The columns are numbered 80, 90, 100, 110, 120, 130, 140, and 150 at the top. The rows are numbered 10, 20, 30, and 40 on the left side. The grid contains a variety of symbols including hearts, squares, circles, triangles, and other geometric shapes, some of which are filled or have patterns. Two sets of lines are drawn across the grid: a blue zigzag line starting from the bottom left and moving towards the top right, and a red zigzag line starting from the bottom center and moving towards the top right. The symbols are arranged in a complex, non-uniform pattern.
