MEASUREMENTS

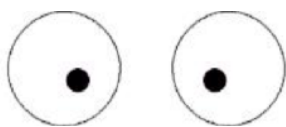

If used same yarn and materials finished doll measures 25cm tall.

Notes for following my patterns!!

- ❖ Work in spiral. Don't finish the round with slip stitch (slst) unless it states in the pattern.
- ❖ I recommend to use stitch markers. This will help you to find the right first stitch of round. Once you finish the round don't forget to move marker in the next round's first stitch
- ❖ Alternative way for stitch marker: To mark ends of rounds, use a length of contrasting color yarn. At the end of round 1, lay the yarn across your work so that it falls after the last stitch in round 1. Work over it into the first single crochet. (photo tutorial: <http://pinkmambo.com/crochet/stitch-patterns/how-to-crochet-circles-part-2/>)
- ❖ Alternative way for magic circle: Chain 2 and crochet 6 single crochet in it.
- ❖ Yarn choice: I use DMC nature yarn for my toys. You can use any yarn you like. I recommend to use cotton yarn. Be careful to pick right size hook for your yarn choice. Use smaller hooks than noted on yarn label for crocheting amigurumi so it will be less holey.
- ❖ Using invisible decrease instead of decrease makes the final result nicer.
- ❖ (video tutorial: <https://www.youtube.com/watch?v=OUBbOZ1Ennk>)

FELT EYE TEMPLATE:

Print this page. You will use the eyes below as a template to follow and cut white felt for the eyes. Cut out the middle circles and insert the safety eyes as shown in the picture.
