Dear Customer: Welcome to **SUNRAYS CREATIONS**, where beautiful patterns are designed with you in mind and created for your enjoyment! We're glad you have chosen our patterns, and look forward to a long and happy relationship.

Your pattern includes the following: Visual picture of finished piece, wash and care instructions, handy tips for working the pattern, instruction sheet detailing color of fabric, sizes, and a complete color listing including number of skeins to complete the project. The pages are bound in a functional binder to allow you to turn the pages 360 degrees.

To get to the basics, here are some special tips when using the pattern:

Fabric: After choosing which finished size and stitch count you want to use, we recommend you purchase your fabric 3 to 4 inches larger than the finished size indicated. It is recommended that you zig-zag stitch the perimeter of your fabric with a sewing machine to keep it from unraveling while you work.

Pattern: Although centering marks are included in the pattern, we also suggest that you start with the first page, upper left-hand 10 x 10 stitch grid and stitch one grid at a time finishing each grid working page by page.

Frames: As far as frames go, you can use whatever method you want, but I prefer the scroll frame to keep the fabric taught and for ease-ability when stitching.

Our patterns are loaded with an abundance of vibrant colors, so we advise using some type of floss organization, whether it be floss cards or floss sticks. I personally use floss sticks.

Wash & Care Instructions are included on the next page. Make sure you read them carefully.

If you have any questions regarding your pattern, please contact me at **SUNRAYS CREATIONS**. Now, let's get started and Happy Stitching!

Sincerely,

Tracey M. Kramer/Owner and Designer

Wash and Care Instructions:

Make sure when handling your needlework that your hands are clean and free of oils that may collect on them from day to day tasks. Always stitch in good lighting (I use an OTT-Lite® for all of my projects). Cut your floss to 18 inches or slightly less to prevent fraying. Using a vertical motion when pulling the needle in and out of the canvas or fabric (instead of a diagonal direction) will also prevent fraying. When preparing to thread your needle, try to resist placing or holding the needle in your mouth as this will eventually tarnish the needle and create unsightly stains on your fabric. When not working on your needlework, always store it in a bag to prevent dust and dirt from collecting on the canvas or fabric.

You will need to hand-wash your needlework separately from other laundry items, as dry-cleaning is not recommended, and we take no responsibility for any damage that might occur when you wash your project. Do not use bleach or other harsh cleaners. Use a mild dish detergent in lukewarm water. It is not uncommon for the floss colors to bleed a little. Rinse in clear water several times until water is clear. Next, roll your work in between two clean towels. Do not wring. Roll out piece and let it dry flat. When dry, place the finished piece between two clean towels and iron on a warm setting with pattern face down. Now your work of art is ready for framing!
