It comes with modded villagers which you can interact and get custom trades from. Im not sure if the creator of this map looked at GTA when Continue reading». Hey guys. So maybe this patch doesn't sound like a very big deal from its name "Bugs & Improvements" but internally this was a huge patch! Although true that there were no "big things" added in this patch, truth is, we fixed dozens upon dozens of long-standing bugs and issues as well added minor improvements here and there. In fact, this update fixed over 90% of all known bugs!
