PROJECTMINDS' QUICK GUIDE TO PROJECT MANAGEMENT agojuye.vestism.ru 1/23 Introduction The purpose of this book is to share what I have learned about project management over the years. Please feel free to use this book for your professional and personal use. All I ask is that you insert a reference to me or the agojuye.vestism.ru website. Project Management focuses on the management and implementation of construction projects, primarily infrastructure projects. A project refers to a temporary piece of work undertaken to create a unique product or service. Whereas operations are continuous and repeating, projects are finite and have an end date. Projects bring form or function to ideas or need.
