Diablo 3 farming guides: Staff of Herding, Hellfire Amulet, Hellfire Ring, etc. Keywardens are four unique demons in Diablo III. Their name comes from their original role: sometimes, upon death they would drop a key for the Infernal Machine event. As of patch , they drop Infernal Machines of corresponding type instead. At levels , all keywardens have a small chance to drop any level 70 device, which does not compete with their chance to drop their primary machine. ←Infernal Machine – How To Farm Key of Hate in Act 2 → Patch Powerleveling and Paragon Powerleveling Tips. Note that steps must be repeated multiple times, since you must create at least three red portals to obtain all three demonic organs. Furthermore, unless you are playing on Monster Power 10, the keywardens do not always drop keys and the uber bosses do not always drop the demonic organs. Patch changed all key drops to apply globally, thus each Keywarden killed will drop a key for every player (of at least level 60) in the game, regardless of that player's proximity. Keywardens can thus be split farmed with players spreading out into different acts, and letting each other know if each KW drops a .
