Hi I recently picked up RCT2 again but I dont have a clue were to find some good custom scenery download websites, if you know of any please list them in this topic, Thanks! Normal Topic Hot Topic (More than 25 replies) Very Hot Topic (More than replies) Locked Topic Sticky Topic Poll. 30/06/ · Dear Atari, Many RCT3 fans, including me, use custom scenery in our parks. We use it just to make our amusement parks more beautiful and more realistic. I'm not saying that your default scenery was bad, I'm saying that you NEED to add important custom scenery imported from RCT3. Please, Atari, please, add catwalks, single and on both sides, when putting we're building chain lifts on coasters. RCT Grotto: Navigation RCT Grotto RCT News RCT3 Downloads Upload Parks/Files RCT3 Screenshots Wild! RCT Downloads Download park recreations, tracks, scenarios, and custom scenery for the RollerCoaster Tycoon game series. Or. Installing Custom Items In Rct3 - posted in RCT3D Object Forum: We've had a few people having problems installing some of the custom scenery available it's something that can easily confuse the best of us. So here's a quick lesson on installing these packs First thing in installing custom items is to understand exactly where different files go in order to show up in your game. (Now updated to work with the Wild! expansion too) This is collection of custom scenery objects primarily designed to be combined with RollerCoaster Tycoon 3's standard building sets. Custom scenery has only become possible thanks to the hard work of JonWil, who analyzed RCT3's files and created utilities to import objects into the game. 15/10/ · Custom Scenery Help by Rickrollercoaster» Thu Sep 05, pm 2 Replies Views Last post by GavG Sun Sep 29, pm Best site for custom scenery? by Chronoteeth» Fri Oct 08, pm 3 Replies Views Last post by coasteragent99 Fri Oct 08, pm RCT2 Custom Scenery Links.
