"Sonic is the fastest of all three playable characters in SRB2, but he is also the least versatile. His double-jump ability is the thok, named after the characteristic sound it makes. The thok gives the player a burst of speed, which is useful for clearing wide gaps and automatically giving acceleration. Because he cannot gain any height aside from jumping, some areas will be inaccessible to. Miles "Tails" Prower. Edit. History Comments Share "Tails is the slowest of the three playable characters in SRB2, but he possesses the very powerful flying ability, which allows him to clear long jumps, skip some obstacles and reach areas that no other character can reach. He is very easy to control due to his low speed and comfortable handling, making him ideal for the beginning player.
