

Zoe & Zach

THE OLD COUPLE

ZOE AND ZACH IS AN ORIGINAL GRANNY'S CROCHET HOOK & KURUMI PATTERN. **THANK YOU FOR VALUING OUR WORK!**

The pattern is for personal and non-commercial use.

The pattern can't be reproduced by any means without the author's permission.

This pattern can't be sold (you can sell items made from this pattern, as long as they are handmade by you in a limited number and you give credit to us as designers).

To make this pattern, we were lucky to have the valuable help of Yanna (@iwannabehara), and Agnes (@amitherapy). Thank you so much girls!

ZOE AND ZACH, the old couple

Zoe and Zach were school sweethearts.

They've been married for over 35 years now, with three kids and grandchildren they lost count of. Love and devotion to each other, however, don't always prevent them from being a fiery couple.

When they retired and moved to the country, all the neighbors breathed a sigh of relief because their loud parties had been the stuff of legend.

They share the love of rock music and they're always arguing about who's greater: Paul Gilbert or Zakk Wylde. Being a huge fan of the second (that's whom - not laziness, arthritis and gout - he dedicates his long fluffy beard), grandpa always loses because he's really scared of grandma's rolling pin and her singular talent of making hideous sweaters he has to wear. Grandma, on the other hand, is always arguing just for a good laugh; she secretly admires Richie Kotzen, mostly because of his outstanding exterior.

When not listening to loud music, reading spy novels or watching detective shows, Zach and Zoe usually spend a lot of time keeping their social media accounts alive. Grandma is a killer sourdough bread baker, grandpa is king of bad jokes, but they've had no success in blogging whatsoever, whereas their Persian cat's Instagram account has recently reached 500 K followers. A prize will be rewarded to those who'll guess his name (hint: it starts with Z). Let's see if this Etsy experience helps these two find new friends around the globe :)

- If you found and downloaded this file on social media, you disrespected designer's work, who, thanks to people like you, will have to find another job. Shame on you!

YOU WILL NEED

- **Yarn of your choice in colors:** off-white, beige, turquoise, mustard yellow, dark gray, khaki, black, brown and one color of your choice for the skin (in the pattern we will call it color A);
- **Embroidery floss** for decorating the faces;
- **Crochet hook** suitable for the yarn of your choice;
- **Two pairs of store bought doll glasses** or a piece of crafting wire to make eyewear (optional);
- **Toy stuffing;**
- **Needles, pins, stitch markers;**
- **Water soluble marker,** pliers (optional).

Go with your gut feeling when choosing materials for your project, but we would recommend to do it within the same brand, so the yarns have similar characteristics and proportions of the toys are preserved.

BOOBIES

Stuff this part lightly if desired (we didn't).

Sew the boobies to the unworked front loops of the 41st round of the body neatly using a strand of the color A yarn.

CARDY

Granny's cardigan is essentially a simple cape; it's not supposed to come off. The arms will be sewn on top of it.

In mustard yellow. Work in rows.

- 1.** Ch 28; starting from the 3rd ch from the hook, 4 hdc, 4 sc, 6 hdc, 12 dc, ch 2, turn (26)

Check if the cardy is wide enough; crochet a couple more rows if needed.

Fasten off, cut the yarn, hide the end on the wrong side of the cardy.

Wrap the cardy around doll's body; the narrow part is the neckline. Using a tapestry needle, secure it in the proper position with a couple of stitches.

Fasten off leaving a long tail to sew it to the body. Stuff the arms halfway so they don't stick out too much after sewing. Sew the arms on both sides of the body on top of the cardy, just under the collar.

11. [3 sc, dec] x 6 (24)

12. [2 sc, dec] x 6 (18)

Fasten off, cut the yarn. Stuff the bun firmly; the other hair parts don't need to be stuffed.

Put the "hat" onto the back of the head at the 45° angle, sew it using a strand of the beige yarn.

Flatten the front parts of the head, they should look like flower petals. Try them on the forehead, slightly overlapping each other, play around with them. Once you find the proper position, secure the parts with pins and sew them to the head neatly. You may want to put a tiny bit of stuffing under the bigger part to make the hair more voluminous.

Sew the bun on top of the back part of the head; light asymmetry will make the hairdo more picturesque. Embroider some white lines on the hair, if desired (a water soluble marker might come handy). *See images on next page.*

NOSE

In color A.

1. 6 sc in a MR (6)

- 2-7. (6 rounds). sc in every st (6)

*Crochet 2 rounds for the short nose or 6 rounds for the hooked one.

Fasten off, cut the yarn.

If you chose the short option, sew the nose in the center of the face, 3-4 rounds below the edge of the hair. If you chose the hooked nose, sew it right under the hair, so its upper part is slightly overlapped by the "fringe". *See pictures for reference.*

EARS (x 2)

Sew the ears on both sides of the head, just right under the hair.

- 8-10. (3 rounds) sc in every st (16)

Make a slst, fasten off and weave in the end.

CRAFTING BAG

2. inc, 11 sc, inc x 3, 11 sc, inc x 2 (34)
3. 34 sc blo (34)
- 4-14. (11 rounds). sc in every st (34)

Change to light brown.

15. sc in every st (34)*

*NOTE: Depending on your way of crocheting, you may have to adjust the

number of the sc stitches in r.16 so that the handle is centered (stitch markers could be helpful). In this case, you will also have to adjust the number of sl sts in r. 17.

16. 4 sc, 9 ch, skip 9 sts, 8 sc, 9 ch, skip 9 sts, 4 sc

17. 4 slst, 10 sc (by passing the crochet hook under the chain, the stitches must “wrap” the chain), 8 sl st, 10 sc (by passing the crochet hook under the chain), 4 sl st.

Fasten off and weave in the ends.

Embroider the nose (use the embroidery needle) with a French knot stitch in the middle of the 10th round, and two straight stitches to make the mouth.

Embroider the eyes with straight stitches between rnds 9-11, and the cheeks below the eyes (use the image as a guide).

FINISHING TOUCHES

- Embroider the eyes, eyebrows, cheeks and mouth** using scraps of yarn or embroidery floss in different colors. A water soluble marker or sewing pins may come handy to mark out their positions first.
- Put the glasses** on granny's nose. Find the instruction on making glasses on page 21.
- Put the shoes on.**
- Give her some cute little accessories** (hairpins, a brooch) to make the toy your very own.

Your grandma is ready to go!

-Embroider some hair on the back of the head.

-Put the glasses on grandpa's nose. Find the instruction for making glasses on page 23.

-Put the shoes on.

-Give him some personality by adding some little details.

YOU CAN MAKE YOUR OWN GLASSES!

To make the glasses, wrap a piece of crafting wire around a cylindrical object of the desired size (we used the handle of a wooden spoon). Skip a section equal to the distance between the eyes and make a wrap again. Using pliers, bend the wire 90° to make the sidepieces. Cut the excess wire off.

WE HOPE YOU ENJOYED IT!
