AboutThe Rope And Other Plays Writer

Two men attempt to prove they committed the perfect crime by hosting a dinner party after strangling their former classmate to death. Brandon and Philip are two young men who share a New York City apartment. They consider themselves intellectually superior to their friend David Kentley, and as a consequence, decide to murder him. Together they strangle David with a rope and placing the body in an old chest, they proceed to hold a small party. As Brandon becomes increasingly more daring, Rupert begins to suspect. The astute observation wraps its hands around the black heart of the movie, where all things subversive were hidden in plain sight by bisexual screenwriter Arthur Laurents-in brilliant collusion with Hitchcock and the film's two gay leading stars: Arthur's lover Farley Granger and John Dall. Hitchcock's first color production, ROPE's nihilistic narrative unfolds in deceptively distracting Technicolor as virtually a single continuous shot, with the artful aid of hidden "cuts. Manhattan socialites Brandon Shaw and Phillip Morgan choke the life out of an associate, David, as an intellectual The Rope and Other Plays to commit the perfect murder. Not content The Rope and Other Plays escape the penalty of law by The Rope and Other Plays disposing of the body quietly, they furthermore devise an elaborate and dangerous display of arrogance: The two stuff David's lifeless body into a chest and throw a dinner party serving their guests, literally, from the convenient tabletop of the young man's grave. In attendance are Mr. Henry Kentley and Mrs. Wilson, the servant; and Rupert Cadell, the murderers' former teacher whose flippant repartee regarding social caste festered into the pathological short circuit that led to Brandon's and Phillip's crime. Brandon's sense of intellectual superiority swells to reckless levels throughout the evening as he makes a nail-biting game out of cleverly dropping his guests hints at nasty goings on. Meanwhile, Phillip grows increasingly frightful and guilt-ridden as Rupert inches ever closer to The Rope and Other Plays why David hasn't yet arrived at the party. Two arrogant young men, Phillip Morgan and Brandon Shaw, kill a friend for no apparent reason other than to show they can get away with it.
