## Reading Free Way Home

I leave for you a report on the new changes: - made the passage of the game, now it's not just a jumping-off, it's a jumper with a meaning You need to go home, to the clouds, from the core of the earth. Brilliantly same - made small effects. We Way Home waiting for your opinion on them. Way Home: Stack Jump is a fun arcade game by a Belarusian developer. It so happened that the main character, Rain Droplet, was lost and was in the Way Home center of our planet. We must Way Home the Hero to go back to the clouds. You are waiting for a difficult road home, through the core of the earth, the bones, sewage, city, forest and other obstacles. In the game there are Way Home characters from different liquids: dirt, oil, kissel, resin, syrup, lava, mucus and others. Choose your character and take him to the top of the tower! Jump on the blocks to build Way Home tall tower out of them and climb higher and higher. Put the blocks on top of each other exactly and get more points.
