You will need between 900-1100m yarn, it depends which material and hook size you are using.

In my example I used 1000m of Wolle Kunterbunt Mir Herz and hook 3,5mm.

The shawl measures 184cm

Used stitches

ch - chain

dc- double crochet

fpdc - front post double crochet

sp-space

sl sp- slip stitch

sc - single crochet

tr - treble crochet

dc3-tog - double crochet 3 together

hdc- half double crochet

Turn your work after every row

First ch of all row count for the first stich + first ch-space
