

Blanket of Carnation Magick

About Carnation Magick

Carnations, the birth flower of January, carry potent energies of heart healing, remembrance, and renewal. Traditionally linked to grief and the passage of time, they also offer magickal support for beauty, love, vigor, and perspective. Associated with the fire element and ruled by Saturn and Jupiter, carnations blend endurance with expansion—making them a powerful ally for transformation and emotional clarity. This blanket invites you to honor what has passed, embrace what is blooming, and wrap yourself in the warmth of rebirth.

Magickal Moment

Carnations bloom in the heart of winter, reminding us that beauty and strength endure. As you knit this blanket, invite the fire element to warm your spirit and renew your perspective.

You may wish to place a red or white carnation nearby, light a candle, and speak:

“By flame and thread, I mend the heart. Grief transforms, love restarts.”

This blanket holds space for healing, remembrance, and rebirth. Knit with intention, and let each stitch be a step toward vitality and peace.
